**A. Accreditation Status**

**1. Institutional Accreditation**

In June 2002, the Commission on Higher Education Middle States Association of Colleges and Schools (CHE/MSA) reaffirmed accreditation for The Richard Stockton College of New Jersey. In his letter accompanying the MSA's team report, the Team Chair registered his pleasure at having served in that capacity, and added that (the President), the board, the faculty, the staff and the students should be commended for a job well done. Stockton College has indeed "raised the bar." The Periodic Review was successfully completed in 2007. The college completed a Self Study during AY 2010-11 in preparation for a Site Visit on March 25, 2012.
